ACTING EXECUTIVE OFFICER

Dear Supervisors:

**JOINT RESOLUTIONS BETWEEN THE BOARD OF SUPERVISORS  
AS THE GOVERNING BODY OF THE COUNTY OF LOS ANGELES,  
CONSOLIDATED FIRE PROTECTION DISTRICT, COUNTY FLOOD  
CONTROL DISTRICT, VARIOUS COUNTY SANITATION DISTRICTS,  
AND OTHER AFFECTED TAXING ENTITIES ACCEPTING THE  
NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUE  
AS A RESULT OF PROPOSED ANNEXATIONS TO  
COUNTY SANITATION DISTRICTS  
(ANNEXATION NOS. 14-417, 21-740, 22-420, 22-422,  
SCV-1068, SCV-1069, AND SCV-1071)  
(FIRST AND FIFTH DISTRICTS)  
(3 VOTES)**

**SUBJECT**

This action is to adopt the Negotiated Property Tax Exchange Joint Resolutions associated with the annexation of territories into Los Angeles County Sanitation Districts Nos. 14, 21, 22, and the Santa Clarita Valley County Sanitation District.

**IT IS RECOMMENDED THAT THE BOARD:**

Approve Joint Resolutions between the Board, as the governing body of the County of Los Angeles, the Consolidated Fire Protection District, and the Los Angeles County Flood Control District; County Sanitation Districts Nos. 14, 21, 22, and the Santa Clarita Valley County Sanitation District (SCV); and other affected taxing entities based on the negotiated exchange of property tax revenue related

to proposed Annexation Nos. 14-417 in unincorporated Antelope Valley; 21-740 in the City of Pomona; 22-420 in the Cities of La Verne and San Dimas; 22-422 in the City of Bradbury; and SCV-1068, SCV-1069, and SCV 1071 in the City of Santa Clarita.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The governing bodies of the affected County Sanitation Districts (Districts) and the respective taxing entities have adopted the Joint Resolutions based on the negotiated exchange of property tax revenue related to the proposed annexations to the Districts.

In order for the Local Agency Formation Commission (LAFCO) for the County of Los Angeles to proceed with the required hearings on the proposed annexations, the Board, as the governing body of the County, Consolidated Fire Protection District, County Flood Control District, and on behalf of the County Public Library, Road District No. 5, and Lighting District No. 1687, must also adopt the Joint Resolutions.

The proposed annexations involve residential, vacant, and commercial parcels, for which there is no other local agency able to provide off site sewage disposal services. The annexations will allow property owners in the affected territories to obtain off site sewage disposal service from the Districts by connecting their properties to existing sewer lines. Currently, the only option available to property owners is to construct private septic systems. In each annexation application submitted to LAFCO, all of the owners of real properties within the affected territories have requested, in writing, that their properties be annexed to the respective County Sanitation Districts.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provision of Community Support and Responsiveness (Goal 2) by providing enhanced services, and effectively planning and responding to economic, social, and environmental challenges. The proposed annexations of territories to the Sanitation Districts will enhance services by allowing the property owners in the affected territories to obtain off-site sewage disposal service from the Districts.

### **FISCAL IMPACT/FINANCING**

There is no base transfer of property taxes associated with these annexations. If the annexations are approved, the adopted joint resolutions will transfer a portion of the annual property tax increment attributable to the annexation areas from the County, Consolidated Fire Protection District, County Flood Control District, and the other affected taxing entities to the affected Districts commencing with Fiscal Year 2016-17, or the fiscal year after the effective date(s) of the joint resolutions, if later.

The affected territories are located as follows: Annexation No. 14-417 is within the unincorporated Antelope Valley; 21-740 is within the City of Pomona; 22-420 is within the Cities of La Verne and San Dimas; 22-422 is within the City of Bradbury; and SCV-1068, SCV-1069, and SCV-1071 are within the City of Santa Clarita.

The impact of the annexations to the County's share of incremental property taxes for future years is reflected in Attachment A. Each of the affected agencies' share of the annual property tax increment will be adjusted accordingly. Annexation No. 21-740 is located in the City of Pomona's former Southwest Redevelopment Project Area (RPA), and SCV-1069 is located in the City of Santa Clarita's former Newhall RPA. No transfer of property tax revenues from properties within the RPAs, which are deposited into a Redevelopment Property Tax Trust Fund [as created by California Health & Safety Code section 34170.5(b)], shall be made during the period that such revenues are legally committed for repayment of Enforceable Obligations [as defined by California Health & Safety Code section 34171(d)].

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Pursuant to Division 3, Title 5 of the California Government Code, commencing with Section 56000, the affected Districts filed applications with LAFCO to initiate proceedings for annexation of territory to the Districts, and adopted the joint resolutions.

Section 99 of the Revenue and Taxation Code (R&T Code) requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service area, or service responsibilities will be altered by such change must negotiate a reallocation of property tax revenue between the affected agencies, and approve and accept such reallocation by resolution. The Districts and the other independent taxing entities have adopted negotiated Joint Resolutions for the subject annexations as required by Section 99 of the R&T Code. Adoption of the Joint Resolutions by the Board will allow LAFCO to schedule the required public hearings on the proposed annexations. LAFCO will subsequently take action to approve, approve with changes, or disapprove the proposals.

The Joint Resolutions have been approved as to form by County Counsel.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed project is not a project pursuant to the California Environmental Quality Act (CEQA) because it is an activity that is excluded from the definition of a project by Section 15378(b) of the State CEQA Guidelines. This proposed action is the creation of a government funding mechanism, a fiscal activity which does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

No impact on current services.

**CONCLUSION**

At such time as the recommendation is approved by the Board, please return one copy of this letter and one of each of the original Joint Resolutions to LAFCO, one copy of the letter and a copy of each of the Joint Resolutions to the Chief Executive Office, Office of Unincorporated Area Services, and one copy of the letter and a copy of each of the Joint Resolutions to the Auditor-Controller, Tax Division.

Respectfully submitted,

SACHI A. HAMAI

**"ANNEXATION NO. 417"**

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

2. For each fiscal year commencing on July 1, 2013, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 14 a total of 0.3733431 percent of the annual tax increment attributable to the land area encompassed

RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 22

**"ANNEXATION NO. 422"**

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

**WHEREAS**, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to County Sanitation District No. 22 entitled *Annexation No. 422*;

2. For each fiscal year commencing on July 1, 2014, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 22 a total of 0.4727331 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 422* as shown on the attached Worksheet.
